About the Foundation

The Thaddeus Lake Music Foundation was established in memory of Thaddeus who had a dream that all youth who had a desire and passion to create music be given that opportunity, regardless of economic restrictions.

Funding by the Foundation will make it possible for children and youth to pursue, develop, and explore musical avenues through the advantages of lessons, loan of instruments, and support for other musical experiences.

Long-term instrument rental is intended to provide financially disadvantaged youth with access to quality instruments. This is made possible through Thad's Musical Instrument Lending Library (Thad's M.I.L.L.).
